Design and Engineering Features for Facets

- All door hinge hardware is concealed European hinge.
- All doors and drawers are soft-close.
- All cabinets and bases, table bases, and bed frames are made of Maple
- 68-1, 68-2, 68-3 include one adjustable shelf.
- Interior finishes on door units match the exterior case finish unless a contrasting frame is specified. In that case, a contrasting flat frame finish will dictate the backside finish on the door.
- All drawers are constructed of Red Oak.
- Adjustable glides are included on all bases.
- Oak veneer on door/drawer fronts will automatically require a dual finish. Please adjust pricing.
- Quartered Walnut on door fronts will be finished natural and automatically require a dual finish. Please adjust pricing.
Note: the back side of doors will be flat-cut Walnut.
- Note that our wood finishes are often sampled on Mahogany veneer and those same finishes on Facets will match the Mahogany sample in color only, not in grain structure.
- Frames are not applicable to Oak or Quartered Walnut.
- Beaded frames are not available in contrasted finish.
- For current lead time and pricing on Gracie Wallpaper, please contact factory.
- Electrical hardware is only available on low chest/nightstands.
- Interior Tray Drawer available on any standard 36" section width.
